# About Us

Consultancy and CPD Accredited Courses designed to develop statutory and partnership responses to adolescent and family safeguarding, extra-familial risks, harms and abuse.

We work with local authorities, police forces, local safeguarding partnerships, residential providers, community and voluntary agencies.

## Our work:

- Develops practitioners and officers' ability to assess and intervene
- Creates the systems and processes necessary for effective multiagency collaboration
- Provides and develops containment across the workforce

The end goal is to achieve clarity on what robust preventative and statutory involvement looks like.

All Future Voices Associates hold operational and strategic leads within their respective fields across Child Protection, Youth Justice, Police, Probation, Child & Adolescent Mental Health and Family Therapy.

We are committed to achieving sustainable change and work with Senior Leads to ensure our work is tailored to the specific needs of the organisation.

# County Lines and Exploitation

Two-Day CPD Certified course for Children's Social Workers, Police, Safeguarding Leads and Safeguarding Partnerships tasked with responding in statutory practice.

*"This is one of the only courses I have attended that has kept me engaged, enabled me to reflect on my practice and implement changes that better affect change and positive outcomes"*

*Social Worker*

This course details the County Lines model, the methodology and how to identify those at risk. Groups identify children's needs and the contexts in which harm is present to create joint strategies to investigate and respond.

*"It was incredibly informative with opportunities to pause and reflect on how to be an active agent of change and meaningfully contribute to needs focused assessment and partnership working"*

*Team Manager*

## Key Themes:

- CCE
- MDS/Trafficking
- Serious Violence
- CSE
- Contextual Safeguarding

## Included with this course:

Future Voices **Strategy Discussion** and '**Safer Plan**' tools.

# County Lines & Exploitation – Bitesize

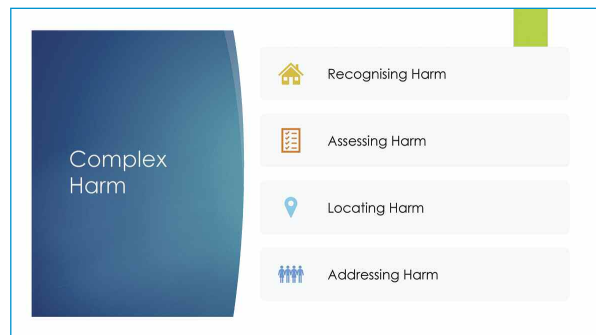

A two-hour online introduction to County Lines covering the model, methodology, signs, and indicators. Sessions are designed to support practitioners working with children who may be vulnerable to county lines exploitation.

For anyone working with children and young people including Foster Carers, Teachers, Law Enforcement, and Support Staff.

## Complex Harm, Complex Safeguarding

Our one-day course can be delivered in person or online. This course is an introductory overview to the different forms of extra familial risks and harms that children and young people can be

exposed to. The second half of the day focusses practitioners on how they can increase safety and respond to extra-familial harm in their roles.

**Included with this course:** Future Voices 'Safer Plan' and guidance document.

This course is designed for practitioners who need a basic understanding of exploitation, contextual safeguarding, the different models of harm and abuse, and how they can respond.

## Child Protection: Strategy and Investigation

This one-day course is designed specifically for Social Workers and Police undertaking statutory investigations into suspected extra-familial abuse including Sexual Abuse, Modern Slavery and Human Trafficking. The course works through the statutory processes and aims to strengthen the child protection response from initial referral and Strategy Discussion, through single and joint enquiries and statutory planning.

**Included with this course: Future Voices 'Strategy Discussion' and 'Joint Investigation'**

**Change around the child**   **Change for the child**

**Risk and Safety Planning**

### Strategy Discussion

**Introductions and Purpose**

- Persons present, their role and relationship to child, family/network
- To determine circumstances, strategy to investigate and safeguard

**Information Sharing**

- Define parameters, information governance and confidentiality
- Agency history and chronology of involvement from all attendees
- To evaluate all information collectively to determine understanding
- To clarify what can be shared, will be shared, by whom and when

**Circumstances**

- Child(ren) including siblings and those in network, adults, and locations of concern and any aggravating factors
- Reason to suspect (Significant harm and focus of discussion)
- Nature, immediacy, and severity of harm (including locations)
- Any identified patterns of activity that increases identification of harm
- If arrested, items seized, and activity required to manage resultant risk
- Analyse collective agency history to ascertain protective capacity of network

Contextual Factors	
Network	Family, friends, peers, associates, adults the child, family or group are connected to and any related risk or protection – PNC/PND checks undertaken
Travel	Mode and means of travel: Individuals/groups involved in facilitation, coercion, organisation, and funding
Locations	Any locations or premises the child may be travelling to/leave to visit, known addresses, and related risk or protection
